

PLANT LAYOUT DESIGN & OPTIMIZATION

Malaysian: RM 1750
International EURO 750

Who Should ATTEND

Technical staffs, engineers, engineering discipline leads, designers and engineering specialists.

Course OBJECTIVES

At the end of this course, the participants will be able to:

- Describe all the engineering process and checking activities in preparing an engineering documents management
- Produce engineering drawing in 2D software (AutoCAD)
- Explain the process of preparing an engineering drawing manually
- Coordinate engineering drawing production process from 3D model (PDS/PDMS) to 2D drawings (AutoCAD)

Course CONTENTS

Basic piping philosophy • Usage of 2D CADD • usage of 3D modelling • Development of equipment layout drawing • Development of piping plan & elevation • Development of piping isometric • Development of Pipe support detail drawing.

Course TUTOR Mr Nasir Bin Sadi

Is an instructor and consultant for Octagon Petroleum Technology. His career includes over 29 years working in design engineering with major engineering consultant including Brown & Root, Technip Geoproduction (M) Sdn Bhd. His experience includes area layout design activities of onshore and offshore projects for both conceptual and detail engineering. Experienced working with policies and procedures for company, department and discipline, worked with project specification and procedures, client specifications and Engineering International Standards and Codes. He graduated from MARA Skills Institute in 1979. He was involved in many offshore and onshore projects for oil and gas producers, both domestic and international.

Method of payment

Please kindly complete and return the reply form together with payment by cheque / Bank draft made payable to:

OCTAGON PETROLEUM TECHNOLOGY SDN. BHD.

Please instruct your bank to remit us the full amount inclusive of bank charges to:

Acct. No: **5648-4710-0322**
Bank: Maybank Berhad
Branch: Sri Petaling

Cancellation & substitutions

A full refund will be promptly made for all written cancellations 2 weeks before the meeting. 50% refund for written cancellations received 7 days before the meeting. A substitute can be applied at any time.

Note:

The organiser reserved the rights to make any changes or amendments that are deemed to be in the best interest of the courses and to cancel it if insufficient registrations are received a week before the course commencement date.

CERTIFICATE OF ATTENDANCE will be awarded at the end of the course.
