

PIPING STRESS ANALYSIS AND PIPE SUPPORT DESIGN

Malaysian: RM 1750
International EURO 750

Who Should ATTEND

Technical staffs, engineers, engineering discipline leads, designers and engineering specialists.

Course OBJECTIVES

At the end of this course, the participants will be able to:

- Identify civil and structure work scope
- Apply stress and vibration analysis requirements specified by pipe stress engineer in the piping system
- Locate pipe support requirement
- Prepare pipe support details

Course CONTENTS

Reviewing of project documents • Identify Critical Line List • Preparing Piping stress isometric drawings • Understanding stress and vibration analysis requirements • simple pipe stress analysis calculation • pipe support standard drawing • civil and structure interface and pipe support detailing

Course TUTOR Mr Faizul Azly bin Abd Dzubir

Is an instructor and consultant for Octagon Petroleum Technology. His career includes over 11 years working in design engineering with major engineering consultant including Ranhill Worley Parsons, Technip Geoproduction (M) Sdn Bhd. His experience includes area stress analysis for all of the critical piping systems in which are under critical conditions in onshore and offshore projects including PSV's, piping connected to rotating/static equipments, flow lines, piping subjected to platform settlements, site investigations for the failure of various piping systems and etc. Experienced working with policies and procedures for company, department and discipline, worked with project specification and procedures, client specifications and Engineering International Standards and Codes. He graduated from Oxford Brookes University, UK in Bachelor of Engineering. He was involved in many offshore and onshore projects for oil and gas producers, both domestic and international.

Method of payment

Please kindly complete and return the reply form together with payment by cheque / Bank draft made payable to:

OCTAGON PETROLEUM TECHNOLOGY SDN. BHD.

Please instruct your bank to remit us the full amount inclusive of bank charges to:

Acct. No: **5648-4710-0322**
Bank: Maybank Berhad
Branch: Sri Petaling

Cancellation & substitutions

A full refund will be promptly made for all written cancellations 2 weeks before the meeting. 50% refund for written cancellations received 7 days before the meeting. A substitute can be applied at any time.

Note:

The organiser reserved the rights to make any changes or amendments that are deemed to be in the best interest of the courses and to cancel it if insufficient registrations are received a week before the course commencement date.

CERTIFICATE OF ATTENDANCE will be awarded at the end of the course.
